

PLANETS PUREST WATER™

"One Planet, One Solution"™

WATER WAM™

(WAM™: Water-Alkaline-Minerals)

**Alkaline Enhancing - Ionic Mineral
Delivery System**

Presented by  **Products**, an R&D division of Planets Purest Water™ Corp.

“WATER WAM™”

PH Enhancer & Daily Ionic-Mineral Delivery System

Certifications: Korean FDA (U.S. FDA Pending) / GD (Good Design)

The All Natural means of raising PH levels and delivery of Ionic-Minerals

Removing dangerous reactive oxygen species

Prevents acidification, the fundamental cause of diseases

Natural alkaline H₂O with enriched hydrogen, plus essential ionic-minerals

What is Reactive Oxygen Species?

Reactive oxygen created in our body destroys human cells, organs, bodily functions and thus causes disease & illness. This is known as the fundamental reason of early aging and human diseases such as cancer, diabetes, dementia, asthma, atopy, allergy, gastritis, gastric ulcer, liver, cirrhosis, hypertension, cerebral apoplexy, hardening of the arteries, etc...

Why should we use the WATER WAM

Removes reactive oxygen species from our body to prevent acidification of body, thus preventing diseases and improves immunity of your body with better oxidation reducing processes.

Numerous studies show drinking alkali water with Enriched Hydrogen and Ionized-Minerals aids in cancer prevention, metastasization of cancer, oxidization, diabetes, corpulence, cholesterol, etc...

Drinking from this source everyday improves blood circulation, improves immunity and removes reactive oxygen species that cause illness & disease.

Drastically improves the taste, smoothness and especially the health benefits of your current water sources

The Benefits of using the WATER WAM™

Water Enhancement

Prevents illness / diseases

Prevents acidification of the body

Convenient to use anytime, anywhere

Decreasing ORP (Oxygen reduction potential)

Raises PH levels to a consistent 9.5 naturally

Removes reactive oxygen species from our body

Sanitary, safe (product made of materials with nano-silver processes)

Releases stabilized Ionic-Minerals that are easily absorbed by the body

All NATURAL processes to raise alkalinity and ionized-mineral delivery

Improves immunity with superior NATUARL, oxidation reducing processes

Numerous studies show, drinking alkali water with enriched hydrogen & ionized-minerals aids in cancer prevention, metastasization of cancer, oxidization, diabetes, corpulence, cholesterol, etc... Drinking from this source everyday improves blood circulation, improves immunity and removes reactive oxygen species that cause illness & disease.

Long lasting PH/Mineral Cartridge (2,000 liters, about 6 months)

The Features of the WATER WAM™

Portable / Lightweight

Soft grip, easy handle design

Flip-Top dispensing / No-Drip spout

Convenient to use anytime, anywhere

Easy slide in PH/MINERAL Cartridge

Manufactured under FDA Compliance Guidelines

Ultra-Slim Design (uses little space in refrigerators)

Natural PH/Mineral delivery, using all natural materials

Forms Nano size molecular water clusters for added health benefits

No special water needed (use your own favorite bottled, filtered or tap water)

Certifications: Korean FDA (medical delivery device) U.S. FDA Pending / GD Certification (Good Design)

Includes
FREE PH Monitoring Kit

BENEFITS

Boosts mental clarity

Scavenge free radicals

Proper muscle function

Prevention of dehydration

Slows down the aging process

Simple, convenient & easy to use

Increased energy, strength & stamina

Eliminates Acidosis (*precursor to disease*)

Quicker recovery time between workouts

Elimination of dangerous bodily toxic wastes

Peak performing body cells and bodily functions

Long lasting filtration mediums / Effortless filter replacement

Decreases body fatigue caused by dehydration & lack of oxygen

Readily available ionic nutrients (i.e. Ca, K, / Mg, Na in ionic condition)

ECONOMICAL

Systems raising just the water alkalinity sell for up to \$4,000.00 with filter replacements costing up to \$200.00. WATER WAM™ achieves a natural, stable 9.5 alkaline level, then dissolves usable ionic-minerals. Plus the product is manufactured with Nano-Silver technology ensuring safe, bacteria free water. All this for a fraction of the price of other systems.

Specifications / Certifications

Product Dimensions	Water Container: 2" X 5" X 8" in. / 55 x 130 x 205mm PH Enhancer/Mineralization Cartridge: 1"x 75/8" in. / Ø25 x 195mm Packaging box: 9 1/4" x 12 1/2" x 3 1/2" in. / 489 x 371x 89 mm
Packing Box Dimensions	12.5"(W) x 7"(D) x 12.0"(H) in. / 316(W) x 182(D) x 312(H) mm
Holding Capacity	1.5 liters
Weight	17 oz./ 500g (including cartridge) / [Packaging box] 28 oz. / 793g
Parts	Water Container (1), PH Enhancer/Mineralization Cartridge (1) PH Test kit (1) (Cartridge: Mg, Y-Union, Coral, Calcium, S.B.B, and others)
PH/Mineral Cartridge Life Span	2,000 liters (about 6 months)
Warranty	Two (2) years
Certifications	Korean F.D.A. (U.S. FDA Pending) / GD (Good Design) Certification

How to use

1. Rinse the PH/ Mineralization Cartridge with running water first time

2. Fill drinking water in the container and drink 15 minutes later

3. Recommended to keep the water in the refrigerator

Maintenance: Change PH/Mineralization Cartridge at 6 months

Other Uses

Cooking

Ice / beverages

Children for school

Baby formulas

Office use

Fish Tanks

Business trips/Vacations

Moisturizing skin

Hang over's

Before/After workouts

Friends/Relatives

Flowers/Gardens

Washing fruits/vegetables

“TASTE” the difference
“FEEL” the difference

WATER WAM™ (Alkaline Enhancer & Daily Mineral Delivery System)

Alkalinity is consistent @ 9.5

Ion-Mineral dissipation is consistent

Economical, compare to alkaline systems selling for thousands

Alkaline/Mineral Cartridge lasts an incredible 6 months

Use your own favorite bottled, filtered or tap water

Convenient to use anytime, anywhere

Made from anti - bacterial materials

Natural oxygen-generation using all natural materials

Removes reactive oxygen species / Decreasing ORP (oxygen reduction potential)

Instantly releasing minerals, (calcium, kalium, Mg, Na, anti-bacterial material, etc...)

Purely natural process & more economical then products generating oxygen by electrolysis

Safe / Sanitary (made in FDA licensed facility using quality materials, including Nano-Silver processes)

Certifications: F.D.A. Korean Medical Delivery Device (U.S.F.D.A. pending) / GD (Good Design) Certification

“TASTE” the difference
“FEEL” the difference

The all “Natural” means of raising PH levels and delivery of Ionic-Minerals
